Each candidate must be the parent of a registered student at the school at the time of the election and must agree to being nominated. Self-nomination is permitted. Where the Nominee is proposed the nomination must be supported by the proposer, who may be the partner of the candidate, and where possible, a seconder.

Additional copies of the nomination paper can be obtained from the school office, if required.

We will acknowledge all nominations by email.

If there are more than two nominations, an election will be held.

Candidates should therefore provide a **statement of not more than 300 words outlining what you believe you would bring to the local governing board**, with the nomination form which will be sent to parents with the ballot papers.

If 300 words are exceeded, the statement will be amended at the school's discretion.
