

QUEEN'S PARK HIGH SCHOOL

6th January 2025

Dear Parent/Carer,

Re: Year 9 Virtual Parents' Evening – Thursday 16th January 2025

I am writing to invite you to our virtual Year 9 Parents' Evening, which will be held online using the School Cloud platform from 4.15pm-7.15pm on **Thursday 16th January 2025**. Following Year 9 assessments carried out between September and January, this is an important opportunity for you to discuss your child's progress with their subject teachers.

Parents' Evening appointments are made through the School Cloud platform. Bookings can be made at <https://queensparkhighschool.schoolcloud.co.uk/>. No login details are required. Please be aware that details entered for your child's first name and surname must match with the preferred name given when your child registered for school.

As this parents' evening is virtual, all appointments will be online via the School Cloud online platform. This is the same platform where appointments are made. The link below provides further information on how to log in to book, and later attend, video appointments. There is also guidance on how to invite another parent/carer if they are not at the same address as you.

If you have been unable to see a teacher at Parents' Evening and you have any concerns, please contact the class teacher via Synergy. Staff will normally respond within 48 working hours and as a reminder, this method of communication is available throughout the year as needed. If you are unable to attend the evening and would like a brief overview from staff, please contact your child's group tutor and ask them to collect some feedback on your behalf. Please allow up to a week for a response to this so that the tutor has time to seek and collate responses from staff.

Year 9 Parents' Evening commences the beginning of the GCSE options process. **Thursday 30th January** will be our Year 9 Options Evening, an event held at school to showcase the curriculum offer where your child will receive information about how to choose their GCSE options. Please keep this date in your diary and look out for further information shortly after the virtual Parents' Evening.

If you are having issues with booking appointments on School Cloud, please contact the school via Synergy or talsupport@qphs.co.uk

We look forward to seeing you virtually as we move towards the next step of your child's educational journey.

Yours faithfully,

Mr A. Jones
