

QUEEN'S PARK HIGH SCHOOL

27th January 2025

Dear Parent/Carer,

Re: Year 8 Parents' Evening – Thursday 6th February 2025

Our face-to-face Year 8 parents' evening will be held in school from **4pm-7pm on Thursday 6th February 2025**.

Following Year 8 assessments carried out between September and January, this is an important opportunity for you to discuss your child's progress with their subject teachers.

Research consistently shows that parental engagement positively impacts a student's outcomes, leading to higher achievement levels and increased motivation.

Appointments can be made through the School Cloud platform. Bookings can be made at <https://queensparkhighschool.schoolcloud.co.uk/>. A guide on how to book appointments is attached; no login details are required. Please be aware that details entered for your child's first name and surname must match with the preferred name given. If you are having issues with booking appointments on School Cloud, please contact the school via Synergy. For subjects in which students are taught by more than one teacher, you will be able to make an appointment with one of their teachers who will feedback on your child's progress across the subject.

If, for any reason, you are unable to attend the event, please get in touch via Synergy and we can arrange an alternative way to discuss your child's progress. Your engagement and partnership with us are essential in ensuring success for your child and our shared commitment to their education.

Yours sincerely,

Mr A Jones
Assistant Headteacher
