

www.myevolve.online

We are delighted to introduce you to **myEVOLVE**, our chosen online system for managing consent and bookings for educational visits and activities.

We will send you details of forthcoming educational visits and activities to your registered email address with the school. Where specific consent is required for the visit, the email will contain a secure link to the Consent Form.

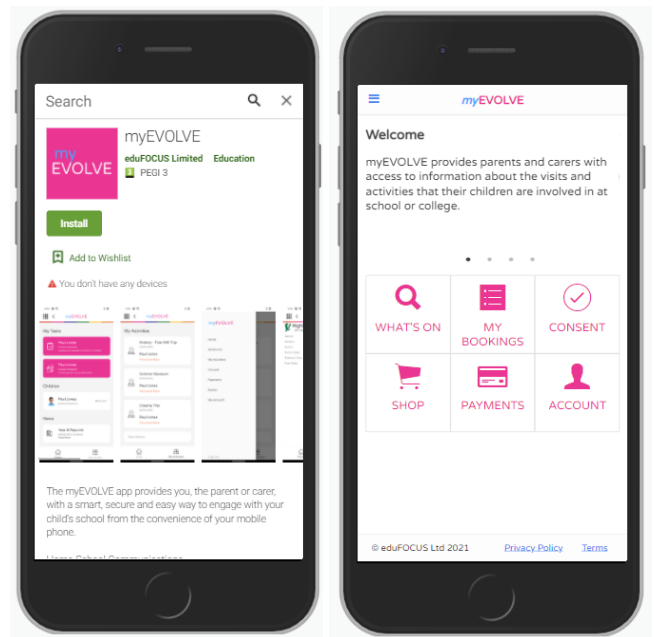

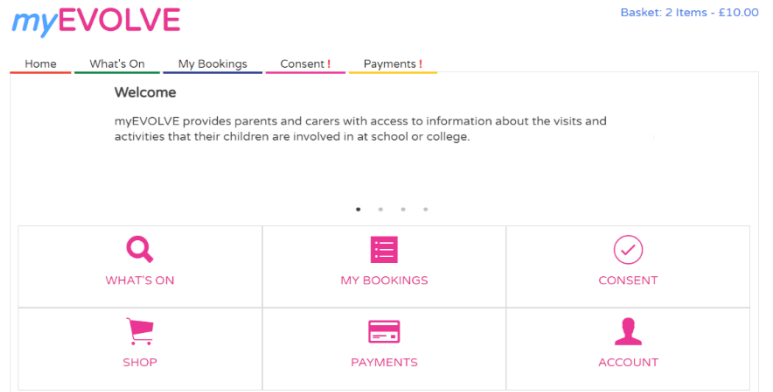

Please note the emails will come from the email address below:

evolve.notifications@edufocus.co.uk

Whilst you can take action directly from these invitation emails, you should also create a **myEVOLVE** account so you can centrally manage all previous and forthcoming activities and review any outstanding and previous consent forms.

Once you have created an account you can download the **myEVOLVE** app from the Apple Store or Google Play Store and easily manage everything from your smart phone or tablet.

Please note that we **do not** currently take payments for educational visits via myEVOLVE. All dinner money and visit payments are made via ParentMail.

Next Steps

Here is an activation link that you can use to create an account:

<https://evolve.edufocus.co.uk/myevolve/setup.asp?id=QPHS>

The link will take you to a page where you choose the option that you are a parent/carer.
