QUEEN'S PARK HIGH SCHOOL

22nd October 2026

Dear Parent/Carer,

Re: Year 9 Parents' Evening – Thursday 12th November 2026

I am writing to invite you to our Year 9 Parents' Evening, which will be held in school from **4pm-7pm on Thursday 12th November 2026.**

Appointments can be made through the School Cloud platform. Bookings can be made at https://queensparkhighschool.schoolcloud.co.uk/. A guide on how to book appointments is attached; no login details are required. Please be aware that details entered for your child's first name and surname must match with the preferred name given. If you are having issues with booking appointments on School Cloud, please contact the school via Synergy. For subjects in which students are taught by more than one teacher, you will be able to make an appointment with one of their teachers who will feedback on your child's progress across the subject.

If, for any reason, you are unable to attend the event, please get in touch via Synergy and we can arrange an alternative way to discuss your child's progress. Staff will normally respond within 48 working hours and as a reminder, this method of communication is available throughout the year as needed. If you are unable to attend the evening and would like a brief overview from staff, please contact your child's group tutor and ask them to collect some feedback on your behalf. Please allow up to a week for a response to this so that the tutor has time to seek and collate responses from staff.

Research consistently shows that parental engagement positively impacts a student's outcomes, leading to higher achievement levels and increased motivation. Your engagement and partnership with us are essential in ensuring success for your child and our shared commitment to their education.

Year 9 Parents' Evening commences the beginning of the GCSE options process. **Thursday 14th January 2027** will be our Year 9 Options Evening, an event held at school to showcase the curriculum offer where your child will receive information about how to choose their GCSE options. Please keep this date in your diary and look out for further information closer to the event.

If you are having issues with booking appointments on School Cloud, please contact the school via Synergy or talsupport@qphs.co.uk

We look forward to seeing you as we move towards the next step of your child's educational journey.

Yours faithfully,

Mr D. Goodwin

Assistant Headteacher
