Parent & Carer Updates

Interim Update · November 2026

Dear Parents and Carers,

Our full monthly update will follow as usual. Before then, I wanted to share two dates coming up this month: our next Parent Coffee Morning, and a day of fundraising in memory of Henry Morris. We would love for you to be part of both.

Parent Coffee Morning: Online Safety

Thank you to everyone who joined us in October. We are looking forward to welcoming you back for our next coffee morning. This time we will include a short feature on **online safety**: practical tips for keeping your child safe online, and a chance to ask questions. As always, there will be time to chat over a cuppa and meet other families as we build our parent support network.

Tuesday 24 November, from 8.40am at QPHS reception

Please let us know you are coming: Parent Coffee Morning RSVP – November

Remembering Henry Morris

As Henry Morris's birthday approaches, we are thinking of his family and of everyone at QPHS who knew him. Henry was a much-loved member of our Year 7 community in 2023-24, and his friends, teachers and year group would like to remember him in a lasting way.

With the kind permission of Henry's parents, we are creating a memorial plaque and a safe space for grief in our library, with a book nook and books to support young people who have lost someone. Our goal is to raise **£1000** for this initiative.

Fundraiser day: Thursday 26 November

- **Own clothes day:** students may wear their own clothes in return for a donation, paid via ParentMail or in cash to tutors during tutor time that day. We encourage students to **wear something green**, Henry's favourite colour - this is optional.
- **Bake sale:** outside the library across both lunchtimes on this day. We will accept cash or card. Please note that students won't have access to their mobile phones, so phone payments are not possible.

Thank you for helping us create a space that will support our young people for years to come. If your child is finding things difficult, please contact their tutor, pastoral manager or Head of Year, who are available to support. Please know that we are carrying out additional wellbeing check's during this time.
