- The opportunity to shape change in the school
- The opportunity to work with others to develop your house identity
- The opportunity to ensure your voices are heard
- The opportunity to add something extra to an application for university/jobs/your CV

‘An Excellent Leader...’

- “Leadership adds an extra dimension in that you take people with you; that you inspire, influence people and you take them on the journey with you. And because of your interpersonal skills and your leadership skills they want to come with you and that you are able to facilitate that. I think that’s the difference with leadership.”
