

QUEEN'S PARK HIGH SCHOOL

1st October 2018

Dear Parent/Carer,

This term we will be introducing the Warhammer and Strategy Games Club to Queen’s Park High School. This club will be open to all year groups throughout the school and has been created to enable students to experience a range of gaming opportunities, giving them the chance to work on a long-term hobby project with like-minded individuals.

Through collaboration with Games Workshop, we will be introducing students to the worlds of Warhammer: Age of Sigmar and Warhammer 40000. This will include building models, developing themes and painting models as well as learning to play the games. There is also the potential to move on to tournament play in the future as a part of the School League. In addition to this, a range of other board games, card games and role-playing games will be supported for those interested.

The club will run on Wednesdays after school from 3pm until 4pm in S2, with an introductory session being offered on Wednesday 10th October 2018. However, there is a restriction on the number of students we can offer this to, therefore places will be allocated on a first come, first served basis.

If your child is interested in attending the Warhammer and Strategy Games Club, we would be grateful if you could complete and return the consent slip below by Monday 8th October 2018 to Mr Griffiths in the Science Office. If students have any questions about supported games or any other related topics, please encourage them to ask.

Yours sincerely,

Mr M Griffiths
Teacher of Physics

.....

Please return to Mr Griffiths - Science Office

I give permission for my child:

Name: Tutor Group:

to participate in the Warhammer and Strategy Games Club after school on Wednesdays between 3pm-4pm.

I will make any necessary arrangements for him/her to be collected from school.

Signed: (Parent / Carer)
