

## QUEEN'S PARK HIGH SCHOOL

**unifrog**

The Complete Destinations Platform

Dear Parent/Carer

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we will now be using 'Unifrog'. Unifrog is an award-winning, online careers platform, which students in Years 11, 12 and 13 now have access to.

Unifrog brings into one place every undergraduate university course, apprenticeship, and college course in the UK, as well as other opportunities, such as School Leaver Programmes and MOOCs, including every college at Oxford and Cambridge.

Unifrog makes it easy for students to compare and choose the best university courses, apprenticeships or further education courses for them. They can also explore exciting opportunities further afield by looking at English-taught undergraduate programmes available in Europe and the USA.

Additionally, the platform helps students successfully apply for these opportunities by assisting them in the writing of their personal statements, applications and CVs, and guiding them through the process.

Students access the tool for the first time using a sign-up code which is unique to their tutor group. Sixth form students were provided with these on 28<sup>th</sup> September and Year 11 students will be provided with these on 15<sup>th</sup> November during Citizenship Day 1. Students can login from any computer, tablet or smartphone using their email address and password. We would encourage you to use the platform with your child so they can be supported through the process of deciding their next steps.

We have also set up a parent login. The parental access code you need is 'parentqphs' and you can sign up by going to: [www.unifrog.org/code](http://www.unifrog.org/code)

For more information, go to [www.unifrog.org](http://www.unifrog.org) or contact Mrs A Watts via [a.watts@qphs.co.uk](mailto:a.watts@qphs.co.uk)

Yours sincerely,

**Mrs A Watts**  
**Careers/Citizenship Leader**
