

QUEEN'S PARK HIGH SCHOOL

6th February 2019

Dear Parent/Carer

Re: Maths GCSE Revision Workbooks for the new 9-1 Specification

As you will be aware, the GCSE exams are getting closer, and revision and exam preparation are essential to student success.

We have already launched the Hegarty Maths site to all Year 11 students for use at home or in school, and in addition we believe your son/daughter would benefit from a revision workbook. These workbooks focus on specific grade content and support students to achieve these grades.

We are able to purchase the revision workbook published by Pearson at a reduced price of £2.50 each (RRP £4.99).

If you wish to take advantage of this offer, please either pay online at www.parentmail.co.uk or complete and return the reply slip below to the TALS Office by **Friday 15th February 2019** along with the correct payment, cash or cheque as appropriate (made payable to Queen's Park High School).

Yours sincerely

Mrs S Blears-Chalmers
Curriculum Leader – Mathematics
