

QUEEN'S PARK HIGH SCHOOL

6th February 2019

Dear Parent/Carer

Re: Maths GCSE Revision Flashcards for the new 9-1 Specification

As you will be aware, the GCSE exams are getting closer, and revision and exam preparation are essential to student success.

We have already launched the Hegarty Maths site to all Year 11 students for use at home or in school, and in addition we are also able to order Corbett Maths revision cards. These flash cards are aimed at either the higher or the foundation tier and complement other revision materials we already use in school.

We are able to purchase these cards directly from Corbett Maths at a reduced price of £7.00 per set (RRP £8.99 + p&p).

If you wish to take advantage of this offer, please either pay online at www.parentmail.co.uk or complete and return the reply slip below to the TALS Office by **Friday 15th February 2019** along with the correct payment, cash or cheque as appropriate (made payable to Queen's Park High School).

Yours sincerely

Mrs S Blears-Chalmers
Curriculum Leader – Mathematics
