

What we do at ChAPS

For children we run a range of regular activities on a monthly basis. We also run an Intensive Social Skills programme and a Mindfulness programme both in small groups for 8 weeks. The Club is our specialised socialisation group running weekly in Northwich. We also have Lego and occasional Play Therapy intensive sessions. We always put on extra holiday activities like raft building, science workshops, working farm visits, climbing, tubing etc.

For adults we run an Independence and Living Skills programme in small groups. Spectrum Connect our adults social group in Runcorn, Winsford and Chester, Crafty Club every fortnight in Northwich, Counselling, monthly walk in Delamere Forest, extra social activities like bingo or quiz nights, art trips, salt mines etc.

For parents we have lots of daytime and evening parent support meetings where you can learn how other parents access services, gain advice about an issue you are struggling to deal with. We have a training programme which includes topics such as the 7 senses, comic strip and social stories, transitions, girls on the spectrum, puberty, anxieties and stress management, sensory processing, PDA and autism and play training. 'The Best Gift is YOU' an empowering programme for 10 weeks targeting wellbeing and coping strategies. We also offer Counselling and run social events.

We run the **Attention Card** with Cheshire Police and now Merseyside Police for anyone with a medical diagnosis which is a superb initiative giving support in emergency situations. An optional part of the application form is to list their difficulties and this information is then put onto the police's intelligence data system. In conjunction with autism awareness training of police officers.

For Schools we run Autism Awareness Assemblies in primary and secondary schools and provide a Professional Training to staff.

98% of our activities are FREE if you join as a ChAPS member. We have to make our charity sustainable, so we ask for a monthly membership donation of **£10 per family**. Come along and meet us and see what we can do to support your family.
